

# August Workshop

August, 18th, 2018 was the second All-Day Workshop in 2018, and it was amazing!

Thanks to Fred Astaire for all the great lessons and techniques to get our members to be better dancers!

Rave reviews from all that attended that our members really enjoy these workshops and lessons as part of their membership.

Both All-Day Workshops were very successful and it appears that they will continue into the coming years.

If you would like to see more workshops, different ball-room dance styles, and techniques, please see a Board

Member today or you may put in your suggestion in our suggestion box located at the front table at each dance. If you would like to send an email, please sent it to [info@usadance6010.org](mailto:info@usadance6010.org).

Thank you for making your Chapter continue to grow and we look forward to fueling the love for dance for all ages.
